ABOUT

Adoption Options

WHO WE ARE

Adoption Options (AO) brings together birth parents, children, and adoptive families, fulfilling dreams and changing lives through the beautiful journey of adoption. AO is a not-for-profit adoption agency licensed under the Adoption Act of Manitoba to facilitate domestic and international adoptions, and provide information, education and counselling to all those involved in adoption.

WHAT WE DO

Many Manitobans face unplanned pregnancies each year. For some this can be a time of great distress and sadness. Our professional staff provides information and education to explore all of their options and help make a decision that is right for them. Adoption Options provides a non-judgmental environment and non-directive counselling throughout the process regardless of their choice.

Adoption is only one of a variety of ways in which families are created. Public education that portrays adoption as a positive way to build a family validates all members of the triad (birthparents, adoptive parents, and adoptees) - reinforcing that adoption is a decision made out of love. Adoption Options envisions a community in which adoption is viewed as a wonderful and natural way to create a family.

ABOUT

Conceiving Dreams

Adoption Options will be hosting our 21st Conceiving Dreams Dinner and Trivia Night to kick off Adoption Awareness Month on Saturday October 19, 2024 at the Canad Inns Polo Park.

Come enjoy an evening of FUN and EXCITEMENT where tables compete against each other in a live interactive trivia game to try their luck at being the winning table. Each team answers questions from a range of topics using their experience, wit, wisdom, and some luck to outsmart the opposing teams. In addition to the trivia game, evening highlights include a great meal, photo booth, rainbow auction packages, silent auction packages, and a grand prize.

Your support leads to financial security enabling Adoption Options to continue providing support services to birthparents and increasing awareness about adoption for years to come.

Help us make this celebration of adoption and Adoption Awareness Month the best one yet!
