

Conceiving Dreams
DINNER & TRIVIA NIGHT

Dear Potential AO Supporter,

Adoption Options (AO) brings together birth parents, children, and adoptive families, fulfilling dreams and changing lives through the beautiful journey of adoption. AO is a not-for-profit adoption agency licensed under the Adoption Act of Manitoba to facilitate domestic and international adoptions, and provide information, education and counselling to all those involved in adoption.

We are excited to share that we will be hosting our 20th Conceiving Dreams Dinner and Trivia Night on Saturday, November 4, 2023 at Canad Inns Polo Park. Help us make this celebration of adoption and Adoption Awareness Month the best one yet!

Conceiving Dreams serves as our biggest fundraiser of the year. Trivia is the main event of the evening! Teams (tables) compete against each other in a live, interactive trivia game. The event is always full of laughter and everyone who attends comments on how much fun the evening is! Another significant component of this event is our amazing auctions.

To make this a successful event, we need your support. We would like to invite you to consider a donation (products and/or services) that will be used in the auction packages, and or become an event sponsor. There are many levels of sponsorship available, listed on page 2. Financial donations are also welcome.

If you would like to attend the event, tickets can be purchased at <https://www.canadahelps.org/en/charities/adoption-options-manitoba-inc/events/conceiving-dreams-dinner-trivia-night>

Your support ensures that Adoption Options can provide support services to birthparents and increase awareness about adoption for years to come.

We look forward to hearing from you and to your support for this important event.

If you have any questions or would like further details on the event, please contact Andrea Phillips at 204-774-0511 ext. 200 or email andrea@adoptionoptions.mb.ca.

Yours sincerely,

Dawn Warkentin
Executive Director

About Adoption Options

Our Mission

Adoption Options is a licensed, not-for-profit agency that facilitates domestic and international adoptions, and provides information, education and counselling to birthparents, adoptive families, adoptees, professionals, and the public. Adoption Options is also registered charity.

Who We Are

Adoption Options (AO) opened its doors in September 1989 and in March 1999 became Manitoba's first licensed adoption agency upon proclamation of The Adoption Act.

Adoption Options is a registered charity. Fundraising and donations are used to fund the following programs:

Birthparents Services

Many Manitobans face unplanned pregnancies each year. For some this can be a time of great distress and sadness, and they feel there is no where to turn to for support.

Our professional staff provides information and education to explore all of their options and help make a decision that is right for them. Adoption Options provides a non-judgmental environment and non-directive counselling throughout the process regardless of their choice. All birthparents facing unplanned pregnancies deserve support and services.

For those Birthparents who choose to place their child for adoption, Adoption Options provides ongoing support and counselling.

Workshops & Support Groups

Adoption Options would like to continue to expand our support services to all members of the adoption community, birthparents, adoptive parents, adoptees and their extended families through workshops, support groups and social events.

Public Awareness & Education

Adoption is only one of a variety of ways in which families are created. Public education that portrays adoption as a positive way to build a family validates all members of the triad (birthparents, adoptive parents, and adoptees) - reinforcing that adoption is a decision made out of love.

Adoption Options envisions a community in which adoption is viewed as a wonderful and natural way to create a family. This is achieved through the distribution of brochures, advertising opportunities and presentations to schools, universities, colleges, doctor's offices, hospitals and social service agencies and other community groups.

Since 1989...

- Over 2215 Manitobans have reached out to AO regarding placing their child for adoption.
- AO has counselled over 1125 Manitobans facing an untimely pregnancy.
- AO has helped to create over 600 families through private domestic & international Adoptions.

*Adoption is Love
Love is Family
Family is Forever*
